

Certificate

PricewaterhouseCoopers LLP has assessed whether the quality management system at

L&M Precision Products Inc.

150 Milvan Drive, Toronto, Ontario, M9L 1Z9, Canada

meets the requirements of the standard noted below (the Requirements).

ISO 9001:2015 Quality Management System Standard

Scope of Certification

Manufacture of precision machined products on automatic screw machines for automotive, appliance, fitting and related industries.

Management is responsible for ensuring the management system meets the Requirements. Our responsibility is limited to assessing whether management has demonstrated that the Requirements were met. Our assessment was conducted in accordance with ISO 17021 management systems assessment standard and, accordingly, included examining, on a sample basis, evidence supporting management's assertion that the Requirements were met.

A description of our responsibilities for the assessment of the management system is located at www.pwc.com/ca/certificate. The ISO standards can be found at www.iso.org.

Based on our assessment, the management system met the Requirements, in all material respects, as of 22 May 2024.

The validity of this certificate is subject to satisfactory annual maintenance assessments.
